	Start raising with just one click Just browse the internet as you would normally and well tell you when there are free donations	>

Once it has been successfully installed, this message will come up.

6

Look for our \checkmark icon, which has been added to the top of your Chrome browser.

If you can't see our icon, click the 🗯 icon and then the grey 📱 next to "Give as you Live Donation Reminder".

This means that when you go onto participating stores, you can easily click on the icon to make sure your donation goes through.

And it just couldn't be any easier?

Just don't forget to turn it on when you visit a participating store!
