yes a language that favors both gender – ANONYMOUS

## JIMMIE

pushing for equal wages for the same posihons at work and sharing household chores at home can help.

Atleast that can work because women are feduP with doing everything in a family – ANONYMOUS

## Mawula Victor

Stop child marriage and sexual harassment that makes young girls feel unworthy and disrespected.

Girls should also be educated like boys because some people say that girls education is a wastage of money thats why they are forced in marriage when still young – ANONYMOUS

## Jonah

Provide children of both genders with books and movies that feature non traditional gender roles

## Joel

Implementing the laws that govern the human rights in our communities thereby giving chance to the women in the communities since they are always the unprivileged.

*In 2012 Uganda passed a bill that even women can inherit properties after the death of husbands but later it was revoked.*

## Sewada

Men should stop over looking on women as inferiors in our societies

## Natty

The men are encouraged to associate with women in everything because even the Bible shows us how Jesus associated with people of all walks e.g women, tax collectors e.t.c

*that will make women feel loved and comfortable in the community* — ANONYMOUS

## Christine

The community should provide equal services to both men and women since we deserve the same respect.

## Hellena

The community should print out rules and regulations about human respect whereby anyone who despises any gender will be taken in courts of law.

## Hilder

The community should employ both men and women in any job which will show people that we are all equal and deserve the same respect

*a woman can do what a man can do even more better*  
— ANONYMOUS

## Magaret

The community should empower programs which teaches people about human rights and responsibilities which will help

people understand that we are all equal and deserve the same respect

*that is right because no one is too old to learn* – ANONYMOUS

## Zaina

The communities should generate religious principles because the Bible ensures us that we are all sons of the same father and created in God's image and likeness

*Yaa that is right because the bible also helps in resisting some evil doings of people and collaborating with something useful due to fear of God* – ANONYMOUS

## Provision of equal opportunities to both men and women

**Educating a girl child will help to women to acquire the same respect with men ..Kelly uganda** 🇺🇬

**Women (girls) need to participate in all community meetings and dialogues to fight for their rights and respect.**

*how can we eliminate a stereotype like that?* – ANONYMOUS

BY SENSITIZING THE COMMUNITIES ABOUT GENDER EQUALITY – ANONYMOUS

**Family members should nurture both boys and girls in the same manner that gives everyone respect to each other**

*Great idea* – ANONYMOUS

## sharing chores

Both men and women should share house chores

*This is not common in Africa so maybe men need to be first sensitized.* – ANONYMOUS

## Men getting involved.

Men should take part in doing home chores.

*Yes and women will feel loved and cared for!* – ANONYMOUS

## Sensitization of the young generation.

How about if we started to sensitize our young generation so they are grown with the same mind, respect should be given to each other.

*who should be responsible or that?* – ANONYMOUS

*parents and teachers at school* – ANONYMOUS

## Gender equality

we can make sure that there is gender equality among us, whether men or women.
